

Biography of the Honorable Dennis DeMolet - Chair

Mr. DeMolet, a decorated Vietnam service connected disabled veteran, is CEO of DeMolet Consulting, Member of the United States Small Business Administration Advisory Committee for Veterans Business Affairs, and appointed member of the Ohio Board of Trustees for Veterans Homes, under Gov. Bob Taft. Serving on many Boards of Directors including the AFCEA International Board of Directors, Mr. DeMolet clearly understands the political and business environment in which he operates. He successfully establishes strategic positioning of synergistic solutions on many Government agencies for the corporations, small businesses and non-profit organizations he represents in business development, marketing and management services.

Mr. DeMolet was honored as the United States Veterans Advocate of the Year for 2003. He has also been selected Ohio's most outstanding disabled veteran, and Republican of the Year in 2002. *Federal Computer Week* honored him as one of the leading IT Professional in their Federal 100 awards for 2001. In addition receiving Veterans Administration Champion Veterans award for 2005. Finally, the Armed Forces Communications and Electronics Association, (AFCEA) have bestowed several additional accolades for his tireless efforts and many achievements for their organization.
